

Teen Personal Excellence Program

"Connecting Wisdom to Heart"

What others are saying about Sophie and the program

"Claire regained her confidence and a healthy sense of who she was and wanted to be. We were beginning to see a "rebirth" if you like of the girl we once knew. Sophie offered Claire opportunities to develop her leadership and communication skills and all the responsibilities that came with it. Sophie's impact on Claire's life is immeasurable and priceless. Claire still talks of her experiences of that year with such vigorous enthusiasm. It was truly a turning point in her life! Thank you so much Sophie!"

Susan Rose, Parent

"This workshop has opened up my eyes and made me realise things I wouldn't be able to realise alone. I was able to discover what was holding me back and now that I know there is nothing stopping me."

Natasha Tzovalas - Student, Strathmore High Yr 10

"This workshop had lots of information presented in a fun way that made me realise that whatever I want I can achieve if I had a healthy level of self esteem and confidence. Sophie was very helpful and got us all interacting which was really enjoyable because I am normally very shy and timid."

Lucas Auon - Student, Emanuel College Yr 7
